### What Does the Bible Say About Astronomy?

#### 1) The Creator is Speaking in the Heavens:

*“The heavens declare the glory of God; and the firmament sheweth His handywork. Day unto day uttereth speech, and night unto night sheweth knowledge. There is no speech nor language, where their voice is not heard.”* Psalm 19:1-3

#### 2) The Heavens Were Created by God’s Word:

*By the Word of **Yahweh** were the heavens made; and all the host of them by the Breath of His Mouth.”* Psalm 33:6

#### 3) The Creator’s Purpose in the Creating the Heavens:

*“And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs (prophetic markers), and for seasons (H4150; annual Feasts), and for days (defining a day), and years (determining the start and end of a year).”* Genesis 1:14

### BIBLICAL ASTRONOMY 101:

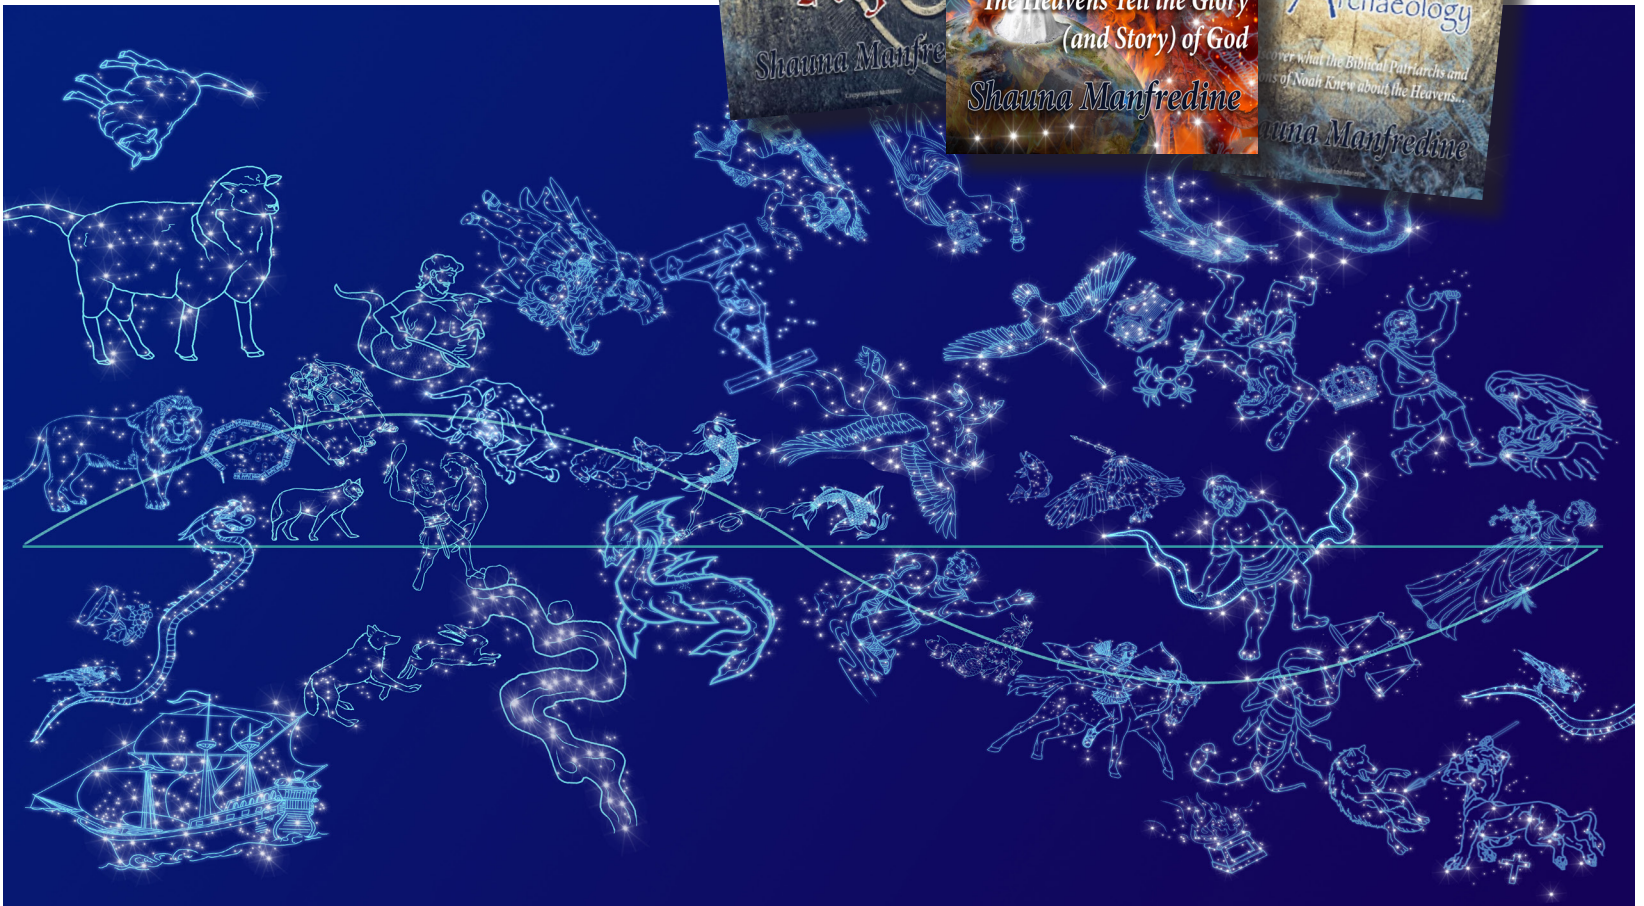

*Mazzaroth is the Hebrew name for the constellations and heavenly lights, mentioned in Job 38:32. It is the Biblical and correct term for the heavenly bodies, which has wrongly been replaced by the pagan Zodiac.*

WORKSHOP SESSION 1: The Seed of Abraham in the Stars...

# The Seed of Abraham

## IN THE STARS

“And Abram fell on his face: and God talked with him, saying... ‘Behold, My Covenant is with thee, and **thou shalt be a father of many nations**. Neither shall thy name any more be called Abram, but **thy name shall be Abraham; for a father of many nations** have I made thee’.” Genesis 17:3-5

“Now to Abraham and his Seed were the Promises made.”

Galatians 3:16

Abraham is arguably the most significant of all the Biblical Patriarchs. He was known as the “friend of God” (*2 Chronicles 20:7; Isaiah 41:8*) the father of all who believe (*Romans 4:11, 16*) and the heir of the world (*Romans 4:13*).

ה'ה'ה' made five significant Promises to Abraham and his Seed, which are found throughout the Book of Genesis (See *Genesis 12; 13; 15; 17 and 22*).

“That in blessing I will bless thee, and in multiplying I will **multiply thy seed** (*rabah zerah*) as the stars of the heaven, and as the sand which is upon the sea shore; and thy seed shall possess the gate of his enemies.”

Genesis 22:17

“Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age... Therefore sprang there even of one, and him as good as dead, **so many as the stars of the sky in multitude, and as the sand which is by the sea shore innumerable.**” Hebrews 11:11-12

WORKSHOP SESSION 2: Five Keys to Unlock Bible Prophecy...

*If you know the Times and Seasons of יהוה, you will not be taken by Surprise!*

“But of the times and the seasons, brethren, ye have no need that I write unto you. For yourselves know perfectly that the Day of our Sovereign so cometh as a thief in the night... **But ye, brethren, are not in darkness, that that Day should overtake you as a thief.** Ye are all the children of light... Therefore let us not sleep, as do others...”

1 Thessalonians 5:1-6

Even though the Heavenly Father has provided His people with Five Keys to unlocking Bible Prophecy (which we’ll be studying shortly), many believers struggle with prophecy and may even misunderstand it entirely. This was certainly a big problem in *Yahshua’s* Day! In fact, even with all the prophecies pointing to His first coming—and even the timing of it being given in Daniel 9:24-26, most of Israel missed Him, even though He was standing right in front of them... Why does this happen? **The following are the main reasons believers often struggle with understanding Bible Prophecy:**

Treasure (like gold in the Federal Reserve) is kept safe under multiple layers of security. A multi-layered security system prevents thieves from stealing the treasure within, of course. But, preventing theft is not the only reason treasure is kept under multi-layered security. Heightened security also ensures that only authorized people may have access to the treasure, of which they are the rightful owners and partakers.

Similarly to how earthly treasure is kept securely locked under a multi-locking security system, the “vault” of End-time Bible Prophecy is also locked...

—accessible only to members of the Family of יהוה, who possess the five Biblical keys that unlock biblical prophecy:

*“And He said, Unto you it is given to know the mysteries of the Kingdom of God: but to others in parables; that seeing they might not see, and hearing they might not understand.”* Luke 8:10

Biblical Calendar...

**Enoch was the "father"  
of Biblical Astronomy!**

Discover what the Biblical Patriarchs and  
Sons of Noah Knew about the Heavens...

**Shauna Manfredine**

## Discover some of what the Patriarchs knew...

Scripture has preserved the original star and constellation names—names which the Creator gave to the heavenly bodies Himself (Isaiah 40:25-26; Psalm 148:1-4). Additionally, the heavens were the first "Bible" in existence, for the first 2000 years after the Fall. The Plan of Redemption is beautifully conveyed in the 12 primary constellations and their decans. Because the heavens were the first "Bible", all of mankind originally knew God's Messages in the sky.

As a result, there is an overwhelming amount of archaeological evidence. In this book, you will find some of the most compelling and significant examples from ancient archaeology. Remarkably, much of the world's oldest art and monuments are about the Mazzaroth! See the evidence for yourself! # Sorting Confusion in the CALENDAR CRISIS

*The Creator's Clock*

## *Calendar Confusion...*

When believers become Feast-keeping, Hebrew-Roots, Covenant-keepers, they are almost instantly catapulted into a messy and controversial area of confusion—regarding the Biblical Calendar...

The following are some of the main Biblical Calendar options, which we cannot cover comprehensively. We will touch on each, giving suggested guidelines for processing and sorting through them, prayerfully, for yourself. Also, we will examine the calendar teachings, without addressing calendar names. *Please note, the following list is not given in any particular order and names are carefully worded to avoid direct calendar association...*

## *Ways to Start the Biblical Year...*

- **Jerusalem Barley**—the Biblical year begins on the first New Moon after barley in Jerusalem is “*Abib*”. Months are determined by sighting the New Moon, counting from this first New Moon.
- **Tekufat Nisan**—the Biblical year begins on the first New Moon *after* the Spring *Tekufah* (commonly known as the Vernal Equinox). Months are determined by sighting the New Moon, counting from this first New Moon.
  - **Vernal Equinox**—the Biblical year begins on the New Moon closest (which can occur prior to) to the Vernal Equinox. Months are determined by sighting the New Moon, counting from this first New Moon.
  - **Moonless Equinox**—the Biblical year begins on the Vernal Equinox. Months are calculated by a 30-day count, from this starting point, without sighting the moon.
  - **Wednesday Moonless Equinox**—the Biblical year begins on the first Wednesday following the Vernal Equinox. Months are calculated by a 30-day count, from this starting point, without sighting the moon.

## *Starting the Biblical Month...*

- **No Moon**—the Biblical month is moonless. Each month is 30 days. The next month begins on the day after the 30<sup>th</sup>.
- **Conjunction**—months begin on the day of the New Moon, which is believed to be when the moon is dark, in its astronomical “conjunction” phase.
- **First Visible Sliver**—months begin on the day of the New Moon, which is believed to be when the first visible crescent moon is sightable, following the conjunction phase.
- **Full Moon**—months begin on the day of the Full Moon, which is believed to be when the moon is full.
